BANCA INTERMOBILIARE DI INVESTIMENTI E GESTIONI - BIM

In the light of recent developments, Veneto Banca communicates that it has received indication from BSI SA that it is currently impossible to define fixed timeframes for the continuation of negotiations for the possible sale of Banca Intermobiliare.

Although it confirms its strategic interest in the operation, and wants to keep negotiations with Veneto Banca open, BSI SA does not currently consider that it can request a further extension of the exclusivity agreement. The Board of Directors of Veneto Banca therefore communicates that it has resolved to re-open negotiations with other potential purchasers, at both the national and the international level.
